I Want To Change The World

I want to change the world, not in big ways, but in small ways that lead to big ways. I want to make a difference in a child's life, giving them the opportunity to learn, grow & live up to their potential. I want to make a difference in a senior's life. Providing them comfort & security in their golden years. I want to make a difference in my community by improving & elevating the lives of the people who live there. You are a hero & everything you do sets an example. Whether you realize it or not, someone is always watching - especially children, who naturally emulate what they see. I'm a Moose Member. Would you like to know more?
