HISTORY OF THE WOODSTOCK MOOSE #1329

The Moose Lodge at Woodstock was founded January 25, 1918 with a total of 54 members. By the year 1928 the membership had grown to over 400, however during the Great Depression years the membership dropped to only 19 members by the year 1942. During the years from 1942 to 1953 the men's membership grew to 800 and then in 1961 it rose to over 1600 and 1700 by 1967 and now having a membership of nearly 1000.

The early days of the Woodstock Moose Lodge were located on the Woodstock square in various buildings called Viking Hall, Zoia Building, Waverly House, Joslyn Building, Hay Building, Kuby and Stafford Building. In August of 1947 the land was purchased for the present building at Clay and Hutchinson Streets with ground being broken in 1950. They had to tear down an existing building to begin construction on the land. The lodge opened in 1952.

An addition to the building was added in 1957 and again a building was demolished to make room this time a laundry.

This addition made the Lodge approximately 20,000 square feet on two levels.

The Women of the Moose Chapter was established on January 14, 1921 with 25 women and now have a membership of over 800 and work hard in supporting the Lodge and fraternity in every aspect of community and fraternalism.

The 100th Year Anniversary Committee along with the Historian Committee and Board of Officers are planning several events for the near future to coincide with our anniversary. Dignitaries of the Moose and the city have been sent invitations to help honor the great event in the history of the Moose.

HELPING OUT AT THE LODGE

I have had a lot of people come to me and tell me that they have told people that they would like to help around the lodge and nobody has talked to them. Well we have over 1800 members at the lodge with the men and the women. So, as you can guess at is very difficult to determine who would like to volunteer and who is too busy to do so. If you are willing to help at the lodge please feel free to stop down at any of our Friday and or Monday night dinners you will not be turned away. As we are always looking for someone to help.

SENIOR MEMBERS

Did you know there is a senior group at the WML? Members 55 and over can join for just \$5 a year. We meet one day a month for a short meeting and then play bingo or other games. In the past, we have helped with the Silverman's (the name of

the group) turkey dinner. We also try and donate to area services. We are looking for new members to keep the group going. As members get up in age they are unable to keep active. We have one charter member left. That is Glen Fringer. At this time, we are thinking of changing the date of the meeting to the 3rd Thursday of the month. Watch for details.

ADMINISTRATOR RETIRING

Four years ago, when I was considering the administrator's job, I felt I could handle it all. I had a plan for streaming my business. Well too many "urgents" over took my life, and the "important" were pushed to the side. I did have great help from the employees, board members and volunteers. But I finally

have to face it. I can't do it all.

I plan to work toward a smooth transition to the new administrator. I will continue to work thru August, if needed.

I want to thank all those who helped make this job enjoyable.

Fraternally, Karl Jung, Administrator

FROM THE GOVERNOR

I would like to start off by saying thank you to all the people who have helped as the new board gets going. We have been discussing some new and hopefully beneficial ideas.

Currently we are looking into a system that will allow us to take credit/debit cards. As I'm sure many of you have seen the younger generations don't carry cash. They like to use their credit/debit cards when they go out. At the recent Moose International Convention in Tampa Fl. this was stressed at many meetings.

We are currently talking to a couple of other lodges who either have had a system in place for a while or are currently installing one.

ADMINISTRATOR NEEDED

With our current Administrator retiring, we are looking for a replacement. Helpful skills include, business knowledge, computer skills and basic accounting knowledge. There is a two day class that teaches you the membership software and quickbooks accounting. That course is followed by a three day Administrator's class that explains all the duties of an Administrator. Of course the Lodge pays for all those classes. There is also a board of officers class that can be taken on line that explains all your board duties.

Please contact any board member if you are interested.

Joke Answer: You don't--you get down from a goose.

Honor Our Community Heroes Through Moose Membership

Each community has its share of local heroes, whether it's a member of the military or a local firefighter or police officer. They are often asked to handle high-risk situations, putting their personal safety in jeopardy. Beyond that, on a daily basis, they are viewed as role models that have the ability to make positive changes for their community and beyond.

How can the Moose honor these local heroes?

- Through the gift of membership! It's a natural fit for those who look to make the best of difficult situations, just as Moose members try to improve the lives of those they touch as well.
- From January 1st through April 30th, 2017 Moose International will waive all first-year fees and dues for active military personnel and first responders and encourage our lodges and chapters to do the same. If you know someone who is serving our country or provides first responder services for your community, now is a great time to reach out and offer them a membership in the Moose.
- It is our hope that these individuals will learn about the great things we do for children, seniors and our communities, and want to stay involved, step up and even lead on behalf of these noble causes.
