QUEEN OF HEARTS

The lodge continues to be the place to be on Friday nights with Woodstock's best fish fry and the excitement of the Queen of Hearts drawing. The excitement couldn't have been higher on Friday, June 12th, when Susan Miller from Rolling Meadows found the Queen of Hearts in envelope #27 and won 80% of the \$111,000 jackpot in her first visit to our lodge. Guessing she'll be back. Congratulations Susan!!!

We kicked off a new game the following week with a starting jackpot over \$22,000. Not a bad place to start. We will be going back to standard payouts for this game; one ticket drawn weekly and \$200 payouts for jokers and other three queens. Rules are posted on the Queen of Hearts board.

Reminder, there will be no QH drawing on Friday, July 3rd for Independence Day or Friday, September 4th for Labor Day.

See you Friday,

Queen of Hearts Committee

Moose – Build Our Foundation

Building our membership to make the Moose stronger at the core level will be our commitment during the “Moose – Build Our Foundation” campaign year, May 1, 2015 – April 30, 2016.

Last year we emphasized the children at Mooseheart, our seniors at Moosehaven, and the communities in which we serve during the “Moose – Back to Basics” campaign. This year, we will focus on growing our lodges and chapters – our foundation – in order to support these core values.

In 2014-15, our lodges, chapters and Moose Legions struggled to maintain their membership levels. Despite a modest goal of “Plus 1,” meaning one more active member on the rolls as compared to the end of the previous year, most fraternal units failed to grow individually and therefore, our membership regressed as a fraternity. In order to grow our foundation of members to support our key endeavors, we need to refocus our efforts in production and retention. This means creating higher value at the local and International levels so that

members don’t hesitate when a renewal notice arrives. Utilizing proper new member orientations and creatively implementing your lodge/chapter’s Preferred Member Program are just a couple of suggestions for realizing a successful year of membership growth.

This year’s one member award, a ‘Moose – Build Our Foundation’ lapel pin, should be awarded by each lodge or chapter after a member sponsors his/her first candidate during the campaign year. Members attaining membership in the Moose International 5 Club will receive a “5 Club” logo static window decal and funds generated by these members will help support the replacement of the Indoor Playground Floor at Mooseheart. This award is made possible by your State/Provincial Moose Association and WOTM.

Unlike other years, however, the new campaign is just the start of a new membership value initiative. **At this year’s International Moose Convention in Nashville, a very important, long-term program will be announced that will supplement this annual campaign and others for the foreseeable future.** Details of this exciting new program will be available to all members after the Convention on the Moose International website and future issues of *Moose* magazine.
