FROM THE BOARD

Happy New Year! This month kicks off our new Moose Calendar Year and as we are very excited about the future, we can look back on last year with pride for all the great accomplishments we had. Our lodge hosted many exciting events, raised thousands of dollars for great causes and served our community faithfully.

It has been an amazing honor serving this lodge as governor the past two years and working with such a great group of volunteers. Thank you to all our members that work so hard making our lodge one of the best lodges in the country.

Thank you to the Women of the Moose and especially the WOTM board of officers. I hear of other lodges having conflicts between the men and women and it was nice seeing our lodge work together as just that, one lodge. Your commitment and hard work to all our causes inspire us all. Thank you, ladies!

I also want to thank the dedicated men that serve on our board. Your service was sometimes thankless and the decisions difficult, but you always led with character and dignity. You worked so hard bringing different ideas and opinions together to serve to betterment of our lodge. Thank you, gentlemen!

See you at the lodge, Chris

Honor Our Community Heroes Through Moose Membership

Each community has its share of local heroes, whether it's a member of the military or a local firefighter or police officer. They are often asked to handle high-risk situations, putting their personal safety in jeopardy. Beyond that, on a daily basis, they are viewed as role models that have the ability to make positive changes for their community and beyond.

How can the Moose honor these local heroes?

- Through the gift of membership! It's a natural fit for those who look to make the best of difficult situations, just as Moose members try to improve the lives of those they touch as well.
- From January 1st through April 30th, 2017 Moose International will waive all first-year fees and dues for active military personnel and first responders and encourage our lodges and chapters to do the same. If you know someone who is serving our country or provides first responder services for your community, now is a great time to reach out and offer them a membership in the Moose.
- It is our hope that these individuals will learn about the great things we do for children, seniors and our communities, and want to stay involved, step up and even lead on behalf of these noble causes.
