## QUEEN OF HEARTS

Well it wasn't Lucky Tom this time, but the Queen Hearts Raffle was won again on Friday, October 14th, with a jackpot of just under \$9,000. Mike Murray, a long time Moose member, friend and a regular at our Friday Night Fish fry had his ticket drawn. He selected envelope #20 and yes, found the Queen of Hearts.

Mike and his lovely wife Ruth were present and won 80% of that jackpot. Congratulations kids, we are so happy for you!!!!

The new jack pot will start \$1,790, so come on down for Woodstock's best fish fry and maybe you can be the next lucky winner.

See you Friday,

### BURGER NIGHT

The October Burger Night was dedicated to support Options and Advocacy for McHenry County. Options and Advocacy helps support and care for families and children with development delays, autism and intellectual/development disabilities. They serve hundreds of children and families every year. This was a great night of support to their cause and a great example of our commitment to our community.

We have raised thousands of dollars supporting local charities this year through Burger Night and all of our Heart of the Community events this year. Thank you to all our volunteers that made these efforts possible and to all of you for supporting these awesome events. It is truly great to be a Moose.

Reminder, there will not be Burger Nights for the months of November and December. Enjoy your holidays and we will see you in January.

*Thank You Again, The Burger Crew*

### COLLEGE CELEBRATION

Sunday, November 13th, at 1 P.M. is the date and time we will be honoring Woodstock's Women of the Moose Newest Collegian. Beverly Bourke received her College Degree in St. Louis during the International Convention this past July. Bev attained this honor by serving the Chapter as Senior Regent and fulfilling all the duties required of her as well as the Chapter receiving the Award of Achievement.

During this meeting, Geraldine Selep will receive her red stole after three consecutive years of membership in the College of Regents. Carolyn Lofgren will have her tassel changed from red to green as she starts her second year as a member of the College of Regents.

We invite all members of the Loyal Order of Moose and Women of the Moose to join us in celebrating the achievements of all three Collegians. Refreshments will be served after the meeting.

*Carol Lofgren, Higher Degree Chairman*

### THANK YOU STANGER FAMILY

For decades, generations of the Stanger Family have prepared Tom and Jerrys for our Lodge on Thanksgiving Day. It was a complicated process, with several steps needing attention early in the morning. The time has finally come for the family to forego the tradition.

We are extremely grateful to the Stanger Family for their decades of service to our Lodge.

Geraldo Rivera was contacted. He agreed to bring his safe cracker to open the safe. Before opening the safe, it was decided that the contents would be donated to the closest non-profit, which was our Lodge. Could the safe have a large amount of cash? Unclaimed pool and strip-card winnings? Because of his past failures, Geraldo was unable to scramble a camera crew, let alone broadcast time. Someone did have an iPhone and taped it. They supposedly posted it on You Tube, but I have not been able to find it.

Anyway, all that was found in the safe was a recipe for Tom and Jerrys. We have some volunteers who are going to use the recipe for this year's Tom and Jerrys at our annual Thanksgiving Day event. I've been told the White House Tom and Jerrys were a legend in Woodstock. So come on down and see what you think.

Have a great Thanksgiving.

*Karl Jung, administrator*

## FROM THE BOARD

November 6th-12th is Membership Retention Week for Moose International. Our lodge, along with all other Moose Lodges, will be focusing this week on promoting membership retention. Look for these upcoming activities. Membership retention has been a key focus for our Membership Committee this year and they are working very hard at getting that message across.

Our lodge will be hosting a bags tournament on Saturday, November 26th. There will actually be two tournaments on this day. The first will be an open tournament starting at 12pm and will be open to the public. We are hoping to draw in some of the best bags players in the area to compete at our lodge and to get an inside look at all the great things happening at our lodge. There will be cash prizes for this event. The second will be a Moose Tournament, for Moose members only starting at 5pm. We are inviting/challenging all the bags players from our lodge and all the lodges in our area. There will be trophies and cash prizes for this event, including a trophy for the lodge of the winning team. The lodge trophy will be held for a year and given out each year to the winning lodge. Woodstock members Paul Luna and Carl Anderson won the Moose Tournament last year and we have had the trophy displayed in our social

quarters all year thanks to them. I challenge our bags players to be out and help keep this trophy in our lodge. All the proceeds from this day will go to Moose Charities.

Special thanks to Roger Close and the volunteers that helped install the finishing touches, trim and counter top in the service bar. It looks great, Thank you all!

*See you at the lodge, Chris*

## WINE, WOMEN (OF THE MOOSE), AND WOODSTOCK

We just wanted to learn more details about how Hector makes his wine. Hector Palacios, that is. He's a board member and periodically emotes about his passion for his hobby: wine making.

Immediately following this last Women of the Moose (W.O.M.) Meeting on October 11th Hector enthusiastically enlightened us with more details than we expected. Kim Etheridge and her Board provided complimentary snacks consisting of cheeses, meats, crackers, and grapes. The men at the Lodge were invited to come join the demonstration. Especially enjoyable after the demo were the samples of wine offered around a table where we felt comfortable discussing the topic of the night: wine.

None of Hector's wines contain nitrites. He creates red, white, combos, and champagne. He personally picks grapes and also uses purchased grape juice. Best words to describe Hector on this topic: knowledgeable, expert, proficient. While he uses chemistry and care in his processes and piqued our curiosity on several levels, sharing this experience with friends we've met before at the Moose topped the enlightening evening.
