## 99TH YEAR RAFFLE

Last Month's 99th year raffle was a huge success. The winner was at the lodge when her name was chosen and was given half of the ticket sales along with the \$99 and ended up walking away with a total of \$194. See everyone it does pay to come down to the lodge. The next drawing will be the second Saturday of September. Come on down to see if you can be as lucky. But remember if you can't make it you could still receive the \$99. See you at the Lodge.

## Honor Our Community Heroes Through Moose Membership

Each community has its share of local heroes, whether it's a member of the military or a local firefighter or police officer. They are often asked to handle high-risk situations, putting their personal safety in jeopardy. Beyond that, on a daily basis, they are viewed as role models that have the ability to make positive changes for their community and beyond.

### How can the Moose honor these local heroes?

- Through the gift of membership! It's a natural fit for those who look to make the best of difficult situations, just as Moose members try to improve the lives of those they touch as well.
- From January 1st through April 30th, 2017 Moose International will waive all first-year fees and dues for active military personnel and first responders and encourage our lodges and chapters to do the same. If you know someone who is serving our country or provides first responder services for your community, now is a great time to reach out and offer them a membership in the Moose.
- It is our hope that these individuals will learn about the great things we do for children, seniors and our communities, and want to stay involved, step up and even lead on behalf of these noble causes.
