## EASTER FUN

## MEMBERSHIP

April 30th is the end of the Moose fiscal year. Every year, we try to end with an increase in membership. We need your help in making sure Woodstock Moose Lodge is number one in the state! This is an honor all lodges try to achieve. Please check when your dues expire. If you have sponsored a member, ask them to check their dues date as well. The chapter and legion could be #1 too. Women can join the chapter for \$15, and men for \$20. Any current member can get you signed up! Help us bring home the top status this year.

— Peg Stock, membership chairman

## BURGER NIGHT

Join us April 25th for the best burger in town! Enjoy a hand-packed, 1/3lb burger fixed just the way you like it while supporting a great cause. **This month's charity is Home of the Sparrow. Our burger is the fabulous chili cheeseburger.** Sides include fresh-cut fries, homemade potato salad, and onion rings. If anyone is interested in getting involved, call or text me at (847) 404-7102. See you there!

The final design will be voted on during the board meeting on April 18th.

## ST. PADDY'S CELEBRATION

## LODGE QUILT

Quilts have long been used to tell a story and the one looking over the Lodge dance floor does just that. This quilt tells the story of Wally Hitzeman (Wally), and his legacy of service. Wally was dedicated—not just to his wife, daughter, and granddaughters, but to lodge and community as a whole. Wally wanted nothing more than to help a fellow person, whether it be through encouragement to be the best version of themselves, empathy during a tough time, or simply to make them laugh. This quilt represents exactly that.

Wally's investment and passion for his lodge and community inspired his loving wife PeeWee to find a way to tell that story. She spent countless hours hand drawing the emblems of each office held by the men and women of the Moose Lodge. Years later, their dream came to fruition with the help of Sally Slack's talented sewing skills used to loom each of those drawings onto the quilt. Sadly, Wally passed a few years before he could see this stunning piece of art, but his legacy lives on. The quilt embodies the story of a man, a family, a team, and a lodge of dedicated individuals who came together with the same mission: to care for all, bring communities together, and celebrate life.

## MEMBERSHIP REWARDS

Have you looked into the **Moose International Rewards Program**? It is about to expire on April 30th. You earn points by paying dues, sponsoring members, becoming a Legion member, or holding office in the chapter. These points can be used on a convention registration fee or a gift card to the Moose catalog store.

Can't figure out what to use them for? You can donate your points to Moose International, and it's easy to do! Just go to the Moose Intl. website, select "already a member," and scroll down to "rewards program." Enter your ID number and password, then your membership record will show. Here, you can choose what you would like to do. This is one of the many benefits to enjoy as a Moose member!

## ANNUAL MEMORIAL SERVICE

We will be having our annual memorial service on May 5th at 1:00 p.m. for the members who have left our defending circle since May of 2023. Families and friends are invited to join us as we pay our final respects. If for some reason you do not see a name listed, please call or email the Moose office so that their name can be added to our list.
