MOOSE KNOTS

The weather is finally beginning to show signs of spring. It may not be in everyone's choice to think about knitted or crocheted items but never fear the Moose Knots are still here. Spring cleaning comes to mind and we have been hard at work making the iconic kitchen towels that button onto just about everything, we have a lot to choose from. Someone mentioned to me that they have one of their 'extras' they attach to their belt when they are going about the house to keep their hands clean.

We are also beginning to work on a new item for us... Adult Dignity dining clothing protectors. They are machine wash/dry scarves that no one would know their secret. Small velcro attachment to keep closed when dining, left open to look great as a scarf... Because spills/dropping occurs and keep ones clothing clean with a smart looking piece? It truly is a win win item.

If anyone has yarn, fabric or craft extras they would like to donate, please let us know. We enjoy what we do and all for the good of Moose Charities.

Our mission is to create lovely knitted, crochet and kitting loomed items in support of the Moose charities. As always if you wish to learn more about us, want to join/help or if you have any items you wish to donate please contact us. Sallie : Moose Knots Spokesperson 815-575-2674 or Leslie-Anne : Secretary 815-861-1301

WOTM

Election of officers for the upcoming year was held on March 14, 23. Please welcome our new Senior Regent Casey Slick, secretary Missy Dudek and treasure Donna Warner. They will be looking for chairman and appointed officers to help throughout the New Year. Watch for some interesting fund raisers and enjoy the events they are planning in the coming months. I would like to say thank you to my chairman and officers for their help during the past year. Many new changes made for an interesting year with a lot of getting used to.

Peg Stock, Senior Regent

VOLUNTEERING

Have you ever heard the saying "many hands make light work"? Do you know that many activities we do here wouldn't be possible without our wonderful volunteers? Have you seen the same people helping at every event? Could you spare a few hours a month? Monday nights, Wednesday nights, Saturday lunches, and Lodge Burger Nights are all times we could use people to take orders and serve our members. Don't want to be up front with everyone? We can always use some help in the kitchen! What about our games and drawings? Lightning on Wednesday evening and Saturday afternoons could always use a couple extra people to help with calling or ticket sales. We need some new people to make sure we can keep our lodge running efficiently as we continue to grow!

THANKS FOR SHOWING YOUR MEMBERSHIP CARD!

We all know it is a pain to show your **MEMBERSHIP CARD** when making your **first purchase of the day. As an incentive we have the lucky number of the day. After you show your membership card if your last number of your membership id number is the lucky number of the day then you receive a free drink of your choice.** The bartenders are required to ask for member cards to protect our status as a private organization. A member that is expired is technically not a member any longer and selling to non-members, violates liquor licensing laws and risks our IRS not-for-profit status. The financial consequences can cause a lodge to close. So, thank you for showing your card, it is appreciated and in doing so, you help protect your lodge home.

MEMBERSHIP

May 1st is the start of the new Moose year. Membership retention is very important during the year. Watch for upcoming events that will make you eligible to win by paying your dues before the due date. Paying your dues on time saves your lodge time and money. Every year lodges try to get the premier lodge award. This is given to a lodge that meets requirements set by Moose International. The number one is retention of membership. This is an honor all lodges want. If your membership does not meet your expectations please bring it to a officers attention so we don't lose you. Every and all members matter.

Beverly Bourke, WOTM membership chairman

LODGE PIZZAS

Do you get hungry when the lodge kitchen is closed? Don't forget to order a freshly frozen pizza from the bartender if you are hungry when the kitchen is closed. A local pizza restaurant supplies our pizzas. We have Cheese, Sausage, Pepperoni, Meat Lovers, Supreme, White Garlic, and Chicken/White Sauce/Garlic/Bacon. \$10 each. The bartender cooks the pizzas in our pizza ovens. The pizzas are **delicious!**

HALL RENTALS

Woodstock Moose Lodge rents out the Hall for different events. Birthdays, Celebration of Life, Funerals, Showers, Retirement Parties, and Weddings. We offer hall rental, service bar option, and food options. Any member can rent out the Hall. Please contact Scott or Casey in the office for more information. 815-338-0126.

HANDICAP EQUIPMENT

The Lodge has various handicap equipment available to borrow for any member in need. There are canes, crutches, wheel chairs, walkers, porta potties located in the furnace room off of the pool room. The bartender has an equipment sign out sheet.

SUNDAY DRAWINGS & RAFFLES

There are **four meat raffles** every Sunday starting at 3:30pm. Membership drawing is at 4pm along with the Sunday attendance drawing. **Membership drawing is \$1** and you can sign up with the bartender any day for the current week. The membership drawing pot as of this printing is \$2,313.

If you're present on Sunday for the membership drawing, and your name is drawn you win 90 percent of the pot, 50 percent if you're not present. Good luck to everyone who enters each week!

Moose Mobile App and Electronic Card Bring Changes

Moose International has completed its mobile app that includes the new electronic membership card. The app was developed to keep current with the technology trends expected by individuals who rely on their phones to conduct day-to-day business, including most individuals identified as Gen Z and Millennials. The app will also allow members to access their individual Moose record, sign new members, pay dues, locate lodges, and more. As new developments are introduced by Moose International, the Moose Mobile App can be updated, similar to most other apps in the market.

The Moose mobile app is **NOW** available on the Apple Store and Google Play. It is called **Moose Membership**. Now all current members will have the ability to download and use the app in conjunction with their current printed card.

The electronic card has one distinct difference, however – it features a QR code instead of a magnetic stripe, meaning lodges that have current swipe readers on their doors will have to update their entryways with systems that include QR readers. Further, **all printed Moose membership cards will be produced with QR codes instead of magnetic stripes beginning on May 1, 2023**. Life members and those that have paid dues years in advance will continue to use their current cards and will not be issued new cards, however, they are encouraged to download the new app and have access to an electronic card.
